And on the letter of Mr. / Adviser and Director of the Office of the Prime Minister No. (53) dated 1/1/2022 AD.

## **Decided**

### **Article (1)**

It is strictly forbidden for local commercial registry offices to accept applications for registration and renewal of commercial registry extracts for any private company or partnership whose purposes include providing environmental services and radiation protection because it is linked to national security, citizen health, and environmental protection.

### **Article (2)**

The Economy and Commerce Controllers and commercial licensing offices are obligated not to issue licenses for the activities referred to in Article 1 of this Resolution to the private sectors, and the renewal of any existing license that engages in the same activity shall be suspended.

### **Article (3)**

All tools for practicing private economic activities must settle their status in a manner that does not conflict with the provisions of this resolution.

### **Article (4)**

This decision shall come into force from the date of its issuance, and those who are addressed by its provisions shall put it into effect, and every provision that contradicts its provisions shall be repealed.
